

ROCK OF AGES MINISTRIES

"For we preach not ourselves, but Christ Jesus the Lord." II Corinthians 4:5

Dr. Terry R. Ellis, *President* | Dr. Ricky Dunsford, *Executive Vice President*

January-February 2019

Greetings from Guatemala to our faithful supporting pastors and churches! We have now been in Guatemala for almost a year and a half, and the Lord has been so good to our family! We could never thank the Lord enough for all He has done for us and through us! We want to apologize that this letter is coming a little late. We have been extremely busy, getting settled into our new home, and assisting in ministry opportunities as much as we can. We want to remind each of you that gives towards our ministry, that your sacrifice does not go unnoticed. WE DO NOT TAKE IT LIGHTLY that you are willing to help us reach the Guatemalan people!

Ministry Update: Since our last prayer letter, we have continued to assist the same 2 churches, as well as the new church plant about 10 minutes from our home. We are so excited the Lord is allowing us to see people saved. At the end of January, we had a 4-year anniversary service in the church in Xenacoj. After the service, a young boy came with questions about salvation. I was able to take the Word of God and show him how to be saved! The young boy bowed his head and asked God to save Him! We had been praying for this boy for a long time, and we are so thankful that he got saved that day! A couple weeks later, an older man in the same church acknowledged his need to be saved during the service. The other missionary and myself were able to talk to him and show him scripture, and he got saved as well! We are so thankful the Lord is still saving sinners in 2019! Please help us pray that these 2 young Christians will be faithful to the Lord and to the house of God, so they may grow in their walk with Him!

Family Update: We thank you, once again, for praying for our family. My wife and my children are my greatest heroes. They have been such an encouragement to me. I am thankful to have a wife that encourages me to keep pressing on. I am thankful for children

that make me laugh and smile, and love me when I come home after a long day. Madelyn started 1st grade about 3 weeks ago, and is doing great. She is becoming such a smart little girl who loves to memorize scripture, sing, and learn. She also has a burden that New York will change their mind about abortion! Marlee continues to be our little spark of energy and continues to be in great health after her operation. The boys are still growing, learning, and enjoying the outdoor space we now have at our new home! The truth is, our children are a blessing to us and we thank the Lord for giving us these arrows!

Prayer Requests: We ask you to please pray for our family concerning a legal issue with our last landlord. Unfortunately, as Americans, some people are under the impression that we have a lot of money and try to take advantage of this. Please pray this situation can be resolved and put to rest soon. It has been a load of stress and worry for our family. Also, please continue to pray for direction for our ministry. The Lord is giving us direction concerning some areas of ministry, we just ask you to help us pray that we would be sensitive to His will! Thank you once again for all your love and support!
