

June - July 2021

*And when they were come, and had gathered the church together, they rehearsed all that God had done with them, and how he had opened the door of faith unto the Gentiles. Acts 14:27*

This verse encourages my heart when I think about the furlough the Lord allowed us to take! He was so faithful to our family and the ministry! These are just a few things He did during our furlough:

- He allowed us to travel over 31,000 miles in 8 months of visiting and updating churches!
- Raised our support level back to 95%, gave us new churches to partner with, and a couple supporting churches doubled their support!

- The Lord allowed us to see over \$80,000 come in for the purchase of property and the construction of a building! We still lack about \$40,000 to build, however we know God will send this in, in HIS timing!
- The Lord brought me safely through Mexico and into Guatemala with our new church van in July!
- We safely returned to Guatemala on August 7<sup>th</sup>!

The day after we returned to Guatemala, we had our very first missionary with us at church! Our people were encouraged to see the Lord using this national couple from Honduras, who are taking the gospel to the country of Haiti! Our church is excited about trying to support this missionary monthly, to help the gospel go forth! My heart was filled with joy to see our tent filled with over 40 people on this day! Their spiritual growth is a reflection on the preaching and teaching they have received over the past few months! Bro. Jonathan and Sister Joselin have been SO faithful to our Lord since we have been

gone. Please help us pray for God to show them His will for their life, as they pray about coming and working with us! He would be my assistant and be over the children's ministry, with hopes of one day allowing him to be Pastor!

Things have drastically changed here in Guatemala. Everywhere you go, it is required to scan your wrist or head, or even take your picture to take your temperature. I believe this is just about how it will be in the tribulation! THANK GOD WE ARE GETTING OUT OF HERE SOON! Now more than ever, it is time to "cry aloud and spare not!" We must get about the Fathers business, which is telling souls about Christ.

**FAMILY UPDATE:** We are settling back into home here in Guatemala. The girls will be starting school on Monday, the boys are growing, and Judah seems to be adjusting well to his new life here! I have made a commitment to my family, to not get extremely tied up in the ministry until we are completely unpacked and my family is adjusted again! My family is my number one priority and I thank God for them supporting me and helping me here in Guatemala!

**PRAYER REQUEST:** Please help us pray for Judah's residency! Residency fees have doubled since we got ours, and we are needing \$1,500 to get this taken care of! I am thankful the Lord knows our needs and knows how to meet them before we even know we have them! Thank you for praying for our family and church here in Guatemala! May God continue to bless you and encourage you in these last days!

*2 Corinthians 4:5* For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.
