

August-September 2021

Hello to all of our supporters, friends, and family. We are thankful to come to you with another letter! We understand this is coming a little late, but since being back, it has been very busy. We want to thank you for praying for our family and the ministry here in Guatemala. God has been doing some big things, and we give Him the glory for that!

Ministry Update: Firstly, since returning from furlough, we have seen the Lord save 5 people! We thank the Lord that He has allowed us to see this fruit! Secondly, we have been doing pre-marital counseling with a young couple in the church. Lord willing, they will be married in the next couple of months! Thirdly, we had a huge kids day event on October 2nd, with over 50 kids and 20 adults present! The Gospel was preached and we look forward to fruit coming from this one day! The church has grown spiritually and numerically since we have been gone, and we thank the Lord for that! We know this is the Lord's ministry and He just allows us to

work in the field! We have seen consistent numbers of 45+ people in our services. We now have electricity at our property, which means in November we can start having night services! Our people are excited about that! Lord willing, we will also have a sewage drain at the property in the next few weeks, and will finally be able to have a bathroom!

EXCITING NEWS/ANSWERED PRAYER: As you remember, Bro. Jonathan and Sister Joselin (and baby Janette) are the young family that filled in for us while we were on furlough. We have asked many of you to pray, that if it be God's will, they would stay and work with us! Their pastor, their family, and our family all prayed and asked God for His will to be made known! Well, GREAT NEWS! It is now official; they will be moving their membership to Iglesia Bautista Biblica to help us in the children's ministry and music ministry! This is going to be huge! We are excited to see what God does with this family! Will you please help us pray for the Sanchez family?

Family Update: Our family has readjusted back to our life here in Guatemala! Our kids enjoyed their time in the states, but they are thankful to be back home, back in school, and now enjoying their new bunk beds, which they LOVE! We are thankful for our children and their love for the people and

country of Guatemala! We have some special plans coming up in November and December and are excited to work together as a family for these things to come to pass!

Prayer Request: We ask you to help us pray about Judah's residency. It is going to cost \$1,500, plus we have to update all of our visas, which is another \$400. These fees are needed in order for us to stay in the country and not have to leave every 90 days! We are thankful for each of you and your prayers for our family and the ministry here in Guatemala. May the Lord bless you all!
